Academic Policy

The Dean of Students office at California Polytechnic University, San Luis Obispo expects all fraternities and sororities to achieve a chapter grade point average that meets or exceeds the **Cal Poly all Men's/Women's G.P.A or a 3.0**. If a chapter does not meet this expectation it will be subject to the following accountability measures:

1st quarter will result in a written notice to the chapter and Headquarters office. Chapter will be required to develop a plan of action to address the chapter grade point average.

2nd consecutive quarter will result in a written notice to the chapter and headquarters office. Chapter will be placed on probation.

3rd consecutive quarter will result in a suspension of recognition and a university review of the chapter's status.

Only fall, winter, and spring quarters will be considered eligible for G.P.A. accountability measures; summer quarters will not be considered. An academic plan that is approved by the Dean of Students office and the chapter's council will supersede the accountability measures in this policy so long as the chapter's G.P.A. goals are met. Any time a chapter meets the All Men's or All Women's G.P.A. or an overall 3.0, any strikes towards the chapter's academic standing will reset and a plan of action will no longer be required.
