6. SLO Cru Masculinity program in February in Chumash Auditorium
 - a) The general, open-ended description: We envision a semi-formal dinner event that partners with IFC, Safer, and Cru. We imagine it being in a large open room with seating around tables (to promote discussion of topics). We would ideally love for it to be a semi-formal dinner or desert, where about 3 people speak on various aspects of celebrating, encouraging, and discussing positive masculinity. Currently, we are considering topics ranging from strength and resilience (specifically differentiating from the current cultural perspective of male strength and aggression), sacrifice, and our role as protectors, in more than just a physical sense. We also have a few ideas for speakers we'd be interested in having, but nothing is set in stone yet
7. Take back the night with Safer on April 30
 - a) March starting at Historic downtown Jack House with Greek Life members through Farmer's Market
8. **BIG REMINDER:** Our bylaws dictate that each unexcused absence at a regular IFC meeting is a \$100 fine to your chapter. Because this last week was rush, presidents who were not present last meeting will not be fined. In the future, you must attend or send a representative or you will be fined. It is not excusable to miss a 2 hour meeting. With that much information and your lack of attendance you deprive your entire chapter of that same information. You have a job as a representative, if you feel your schedule is too busy please assign someone who has the energy and time to attend meetings for your chapter.
9. Update Officer Contacts - Go through this sheet and put in the name of all your new officer contacts, this takes less than 5 minutes, please just get it done before Wednesday night:
<https://docs.google.com/spreadsheets/d/1qDed6m7uJ5USXI-bhxurwH1MS99DibCA7W9HZonUsJU/edit?usp=sharing>
10. Look over the Internal Review Committee Policy attached to this email and let me know if you still have changes you would like to see based on our discussion, this will be an action item next meeting.

11. Moving forward know that open forum is limited to 15 minutes overall and special presentations are limited to 10 minutes each. I have a running timer at the beginning of each presentation, extensions of time will only be given if pre-arranged or there is a motion on the floor.
